

Welcome to the 5th Annual Big K Cruise-In

Sponsored by the Kiski Area Instrumental Boosters

We hope you have a wonderful day with us at the Kiski High School grounds. Please remember this is a public school area and is governed by the rules of the Kiski Area School District and the laws of Pennsylvania. There is no smoking or possession of alcohol on the school grounds and all vehicles must be driven in a safe manner. Smoking will be permitted only outside of the fenced area along the main road. Please respect the school property. We are guests of the school district and will only be allowed to continue to use this facility if everyone cooperates with the rules.

Classes: We will again have 20 classes this year (see other side for class listing). Please pick the class that your vehicle best matches. If you have any questions, see the staff at the entry booth. Parking to show your vehicle in competition will be "**open**" and you will **not** have to park by designated class this year. If you plan to have your vehicle on exhibition only, you are also permitted to park with your friends who are entering the trophy award part of our cruise-in. This change is due to the large amount of entries we have had for the past 2 years and the confusion of using designated parking areas. Please be courteous in saving parking spots for your late arriving friends.

Door Prizes: Winners will be announced and the ticket numbers will be posted near the entry booth. The prize envelopes will contain various amounts of money (\$20, \$10, \$5) and the winners will get to pick a random envelope. The door prize drawings will start at 12:00 PM and winners will be announced every 15 minutes until 3:00 PM. Everyone will have an equal chance at winning the envelopes that contain the \$20!

Awards: Awards will be given for 1st thru 3rd place in the 18 regular classes and 1st thru 6th place for the two student classes. Additionally, four special awards will be given out again this year. The **Superintendent's Award, Principal's Award, School Board Award, and the Music Director's Award.**

Participant Choice Awards: Please be sure to vote for the best vehicle in each class. Please be fair to all of the participants and vote for the best vehicle in each class and not the owner. Voting ballots must be turned in by 1:45 PM in order to be counted. Sorry, no ballots will be accepted after 1:45 PM. We appreciate you taking the time to vote! **Awards will be presented at 3:30 PM**

Restroom Facilities: Located in the school. Enter the building using the doors in the front circle (near the flagpole). It is our responsibility to keep the restrooms clean and orderly. Please report any problems to the KAIB personnel at the entry booth.

DJ and Music: If you have any favorites our DJ, Cindy Gaich, will be glad to play them. Please give your request at the DJ booth. In remembrance R.D. Summers and his tremendous support to our past cruises, we will honor him with a moment of silence during the cruise this year. Lastly, we ask if you have a loud stereo system, please remember to be considerate of others regarding the volume of your stereo system.

Classes and Sponsors are listed on the other side. If you or your company would like to sponsor a class for next year's event, please contact us via email at kiskiareaband@yahoo.com or call Ron Laufer 724.339.3029 or Colleen Blackham 412.554.9921
