Saturday, May 30th spring flowers will be distributed. Need volunteers to unload and sort flowers. An email will be coming out with flower delivery time.

Aramark training session will be on June 15th. It only takes a couple of hours and your certification is good for 3 years. Last Steeler season, workers made \$100 toward student account during the playoffs. You can easily make your full assessment this year by participating. If you already have your assessment paid and have excess funds in your student's account, your balance can be used to pay for instrument purchase, repair or shoes.
